

WHERE YOU WANT TO BE:

How to Find an

*Unforgettable
College*

College

is so much more than four years and a degree. It's a life-changing experience—one that encourages you to think and live in big, unforgettable ways.

Use this guide to discover the essential elements of a truly unforgettable college and learn how the **University of Florida** could be exactly where you belong.

Academics

When it comes to what you want to study, don't settle for mediocre programs. Find a place where you have options ... and many of them! What courses are offered is just as important as the faculty who teach them.

At UF we are long on options! We offer more than 120 majors and 100 minors for you to explore. Our faculty are leaders and innovators in their fields and take pride in working with the leaders and innovators of tomorrow—students just like you.

At the University of Florida, Gators see the world through a different lens.

PRO TIP: Check out your potential college's faculty, research opportunities, and academic program depth.

Student Support

Not only will the right school encourage you to dream big but it will also provide you with the tools to navigate and thrive in every aspect of your life—academically, personally, and professionally.

At UF you will find support from your first day on campus to graduation day and beyond. With our 16 unique living-learning communities, the Office of Academic Support, and our top-ranked Career Connections Center, we have you covered! Whether you want to start your own business or work for a Fortune 500 company, we'll help you unlock doors to new opportunities to go bigger and reach higher than you ever imagined.

Learn from the program's executive director how our Career Connections Center sets you up for success!

PRO TIP: Make sure your school has a comprehensive set of student support services and programs to guide you from your first day on campus to graduation.

Student Life

Don't be afraid to set high expectations for what your future college will offer. The right school for you will ignite a spark that will lead you to discover new things.

Every experience at the University of Florida is meaningful, and you're sure to find your place here. Whether it's through one of our 1,000+ student organizations, 2,700+ intramural and sports clubs, 60+ Greek organizations, incredible on-campus events, or an adventure you plan yourself, there is something here for you. UF has big opportunities and many ways to find your home within the big campus.

There's a spirit at the University of Florida that is unmatched by other universities. Hear what our student body president has to say about it.

PRO TIP: Engagement in life outside of the classroom positively impacts academic performance and personal well-being. Make certain that your potential school offers a wide range of opportunities for engagement and involvement.

Community and Belonging

Last—but certainly not least—is making sure your future college is a place where you feel like you belong. UF’s vibrant energy and friendly community might be exactly what you’re looking for.

Our students know that we can all think bigger and reach higher when we work together. We encourage you to see how you feel in orange and blue by experiencing the hospitality UF has to offer.

Go Big. Go Gators.

UF students Sazzad, Carter, and Veronica share their experiences and how they found a home at UF.
